Board Policy No. 5034: STUDENTS WITH ALCOHOL OR DRUG RELATED DISABILITIES

- A. The Board recognizes that, unfortunately, some students may have alcohol or drug related disabilities despite all the efforts that are made by parents, the schools and the community that students not use alcohol or illegal drugs.

- B. It is the District's policy not to discriminate against a student who has an alcohol or drug related disability, who seeks to participate in treatment, or who actually participates in such treatment. However, the District strictly prohibits the following by any student:

Unlawfully possessed, used, sold, or otherwise furnished, or been under the influence of, any controlled substance (listed in Health And Safety Code sections 11053, et seq.), an alcoholic beverage, or an intoxicant of any kind.

Unlawfully offered, arranged, or negotiated to sell any controlled substance (listed in Health And Safety Code section 11053, et seq.), an alcoholic beverage, or an intoxicant of any kind, and then either sold, delivered, or otherwise furnished to any person another liquid, substance, or material and represented the liquid, substance, or material as a controlled substance, alcoholic beverage, or intoxicant.

A student may be suspended or expelled for any act in provision B related to school activity or attendance which occurs at any time, including, but not limited to, any of the following:

While on school grounds.

While going to or coming from school.

During the lunch period whether on or off the campus.

During, or while going or coming from, a school sponsored activity.
